Fever and hepatosplenomegaly  
Clinical case discussions

The Department of Pediatrics at Government Medical College, Kozhikode has been conducting the prestigious **Intensive Clinical Training Programme** for exam-going postgraduate students for the past 20 years. It has been an unprecedented success, and students from all over India attend it, and relish the academic feast.

**The 21st Intensive Clinical Training Programme** will be conducted at the Institute of Maternal and Child Health, Govt. Medical College, Kozhikode, Kerala from **14<sup>th</sup> February to 18<sup>th</sup> February 2024** and will conclude with an **OSCE** based on the DNB model. This programme is intended exclusively for final year DCH, MD and DNB students. We have top notch faculty, including eminent teachers and DNB examiners from all over the country.

**Course registration fee: Rs.16520 (Rs.14000 + GST: Rs.2520) for 4 days training Programme.**

**An additional fee of Rs.2950 (Rs.2500 + GST Rs.450) for those appearing for OSCE, which can be registered separately.** It includes food (breakfast, lunch, snacks, and dinner) and **does not include accommodation.** A detailed discussion on the OSCE questions will be done on

the last day. Attractive cash prizes await the top scoring candidates.

**Only online registration is permitted through our website from December first week onwards.**

Log on to [www.pediatricsgmckozhikode.com](http://www.pediatricsgmckozhikode.com) for further details. **Offline registration will not be entertained under any circumstances.**

**Please register immediately as seats are limited.**
